

Dear Batson Hospital Supporter:

During the holiday season, we collect donations of new toys to create gift bags—"Santa Bags"—for the patients who are hospitalized over the holidays. These bags are delivered, with Santa's help, to each patient on Christmas Eve.

Please be aware that we have to work within certain guidelines and ask your assistance with this. For reasons of infection control, we can only accept donations of NEW, unwrapped items. Also, we are unable to distribute religious items because as part of a state institution, we must comply with the separation of church and state. Our Pastoral Services department meets the spiritual needs of our patients, so if you have religious materials you wish to donate you can contact them at 601-984-2190.

Please read through the enclosed material and fill out the Donor Information Form and submit it with your donation when you drop it off.

Thank you for supporting the Child Life Program and the Blair E. Batson Hospital for Children. Please know we appreciate your concern for our patients, especially during this time of year. Your generosity will ensure that each child will have a joyous holiday.

Best wishes to you for a Happy Holiday Season!

The Child Life Staff

## Donor Information Form

**Donations will only be accepted December 1-16th.** You can drop off your donation anytime between 9:30 a.m. – 4:00 p.m. Monday through Friday in the lobby of the Children's Hospital. If you have any questions, please call 601-815-4282. Please enclose this completed form with your donation.
